"THIS AM THE WORSTEST BOOK EVER!"

"Perfect for new readers who want beautifully illustrated superhero stories that prioritize fun above all else."

A.V. CLUB/THE ONION

"You'll be hard pressed not to have a grin on your face throughout the whole adventure."

IGN

Bizarro-Superman's backwards-speaking warped doppelgänger-only wants to be a superhero. But his "help" has cut a swath of destruction all through Metropolis, and now the citizens want him gone!

Sounds like a job for Jimmy Olsen! He'll lure Bizarro out of the city for good by escorting him on a road trip to "Bizarro America" (aka Canada), then return to Metropolis a hero and write a best-selling coffee table book about their journey. But to get to the border, the duo will first have to contend with chupacabras, Wild West ghosts and used car salesmen! And if they do ever reach the Great White North, will Jimmy have the heart to follow through with his scheme?

This awfulest story of two worst-est friends on a terrible road trip am not written by **HEATH CORSON** (*Justice League: War*) or drawn by **GUSTAVO DUARTE** (*Monsters! And Other Stories*) with **DARWYN COOKE, FRANCIS MANAPUL, KELLEY JONES** and others. It no collects BIZARRO #1-6 or DC SNEAK PEEK: BIZARRO #1.
